## 2018 Holiday Party

On December 12th, 2018 we gathered for our annual Holiday celebration.

Supervisor Cloud thanked all for coming to share some time together, entreated all to enjoy and expressed gratitude for the wonderful musicians who provided music for the festivities.

Our cheerful atmosphere was enhanced by the lively fiddle music provided by \*\*\*\*.

All enjoyed a menu that included ham, twice baked potatoes, green bean garnished with caramelized onions finished with a dessert of homemade cheesecake and apple crisp.

**Holiday Party 2018**  
**Thank you to all who attended!**

## Dear Pine Plains, by Supervisor Darrah Cloud

At our last Town Board meeting, we spoke about numerous concerns which the town is facing. We will be putting together our Solar Law very soon, and will have a Workshop Meeting to discuss our goals on January 14th at 7pm. This is open to everybody.

LED lighting was approved by the Town Board on December 10th. Look for Central Hudson to be out replacing bulbs. This will save the town a significant amount of money each year in electricity costs (approx.. \$6000/yr) and pay for itself in 3 years.

The Re-organization Meeting will take place right before the next Town Board Meeting on January 17th, 2019.

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

-Get on a committee for the town—or form one! See something you'd like to have happen? How about preserving our history here, and helping to maintain the old scale, finding a place to display our 1897 LaFrance Fire Truck, keeping the Graham-Brush house up, getting involved in creating this walking museum of wonderful places? How about a marketing committee? Get the word out about Pine Plains in a way that attracts people to the things we want to preserve the most?

-Attend Town Board Meetings and voice your opinion. We film all the meetings but there's nothing like being there in person.

Things like this are an enormous help to the community and gratefully appreciated. You don't have to be rich in Pine Plains to be essential, welcome, and necessary to our economic development and to our hearts. And it's a great way to meet new people.

Let's work together, Pine Plains!

## Coming Up...

This month we will have some guests at our second Wednesday meeting to speak about safety, energy savings and some changes to the Star exemption rules in NYS.

We will start at 12 noon and there will be some light refreshment.

February 13th will be our Valentine's Day potluck. Please bring something to share. We will provide the drinks. There will also be some romantic music to listen to while we celebrate Valentine's Day.

## Coming Up...

This month we will have some guests at our second Wednesday meeting to speak about safety, energy savings and some changes to the Star exemption rules in NYS.

We will start at 12 noon and there will be some light refreshment.

February 13th will be our Valentine's Day potluck. Please bring something to share. We will provide the drinks. There will also be some romantic music to listen to while we celebrate Valentine's Day.

## 2018 Holiday Party

On December 12th, 2018 we gathered for our annual Holiday celebration.

Supervisor Cloud thanked all for coming to share some time together, entreated all to enjoy and expressed gratitude for the wonderful musicians who provided music for the festivities.

Our cheerful atmosphere was enhanced by the lively fiddle music provided by \*\*\*\*.

All enjoyed a menu that included ham, twice baked potatoes, green bean garnished with caramelized onions finished with a dessert of homemade cheesecake and apple crisp.

**Holiday Party 2018**  
**Thank you to all who attended!**

## Dear Pine Plains, by Supervisor Darrah Cloud

At our last Town Board meeting, we spoke about numerous concerns which the town is facing. We will be putting together our Solar Law very soon, and will have a Workshop Meeting to discuss our goals on January 14th at 7pm. This is open to everybody.

LED lighting was approved by the Town Board on December 10th. Look for Central Hudson to be out replacing bulbs. This will save the town a significant amount of money each year in electricity costs (approx.. \$6000/yr) and pay for itself in 3 years.

The Re-organization Meeting will take place right before the next Town Board Meeting on January 17th, 2019.

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

-Get on a committee for the town—or form one! See something you'd like to have happen? How about preserving our history here, and helping to maintain the old scale, finding a place to display our 1897 LaFrance Fire Truck, keeping the Graham-Brush house up, getting involved in creating this walking museum of wonderful places? How about a marketing committee? Get the word out about Pine Plains in a way that attracts people to the things we want to preserve the most?

-Attend Town Board Meetings and voice your opinion. We film all the meetings but there's nothing like being there in person.

Things like this are an enormous help to the community and gratefully appreciated. You don't have to be rich in Pine Plains to be essential, welcome, and necessary to our economic development and to our hearts. And it's a great way to meet new people.

Let's work together, Pine Plains!

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

-Get on a committee for the town—or form one! See something you'd like to have happen? How about preserving our history here, and helping to maintain the old scale, finding a place to display our 1897 LaFrance Fire Truck, keeping the Graham-Brush house up, getting involved in creating this walking museum of wonderful places? How about a marketing committee? Get the word out about Pine Plains in a way that attracts people to the things we want to preserve the most?

-Attend Town Board Meetings and voice your opinion. We film all the meetings but there's nothing like being there in person.

Things like this are an enormous help to the community and gratefully appreciated. You don't have to be rich in Pine Plains to be essential, welcome, and necessary to our economic development and to our hearts. And it's a great way to meet new people.

Let's work together, Pine Plains!

## Coming Up...

This month we will have some guests at our second Wednesday meeting to speak about safety, energy savings and some changes to the Star exemption rules in NYS.

We will start at 12 noon and there will be some light refreshment.

February 13th will be our Valentine's Day potluck. Please bring something to share. We will provide the drinks. There will also be some romantic music to listen to while we celebrate Valentine's Day.

## 2018 Holiday Party

On December 12th, 2018 we gathered for our annual Holiday celebration.

Supervisor Cloud thanked all for coming to share some time together, entreated all to enjoy and expressed gratitude for the wonderful musicians who provided music for the festivities.

Our cheerful atmosphere was enhanced by the lively fiddle music provided by \*\*\*\*.

All enjoyed a menu that included ham, twice baked potatoes, green bean garnished with caramelized onions finished with a dessert of homemade cheesecake and apple crisp.

**Holiday Party 2018**  
**Thank you to all who attended!**

## Dear Pine Plains, by Supervisor Darrah Cloud

At our last Town Board meeting, we spoke about numerous concerns which the town is facing. We will be putting together our Solar Law very soon, and will have a Workshop Meeting to discuss our goals on January 14th at 7pm. This is open to everybody.

LED lighting was approved by the Town Board on December 10th. Look for Central Hudson to be out replacing bulbs. This will save the town a significant amount of money each year in electricity costs (approx.. \$6000/yr) and pay for itself in 3 years.

The Re-organization Meeting will take place right before the next Town Board Meeting on January 17th, 2019.

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

## 2018 Holiday Party

On December 12th, 2018 we gathered for our annual Holiday celebration.

Supervisor Cloud thanked all for coming to share some time together, entreated all to enjoy and expressed gratitude for the wonderful musicians who provided music for the festivities.

Our cheerful atmosphere was enhanced by the lively fiddle music provided by \*\*\*\*.

All enjoyed a menu that included ham, twice baked potatoes, green bean garnished with caramelized onions finished with a dessert of homemade cheesecake and apple crisp.

**Holiday Party 2018**  
**Thank you to all who attended!**

## Dear Pine Plains, by Supervisor Darrah Cloud

At our last Town Board meeting, we spoke about numerous concerns which the town is facing. We will be putting together our Solar Law very soon, and will have a Workshop Meeting to discuss our goals on January 14th at 7pm. This is open to everybody.

LED lighting was approved by the Town Board on December 10th. Look for Central Hudson to be out replacing bulbs. This will save the town a significant amount of money each year in electricity costs (approx.. \$6000/yr) and pay for itself in 3 years.

The Re-organization Meeting will take place right before the next Town Board Meeting on January 17th, 2019.

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

-Get on a committee for the town—or form one! See something you'd like to have happen? How about preserving our history here, and helping to maintain the old scale, finding a place to display our 1897 LaFrance Fire Truck, keeping the Graham-Brush house up, getting involved in creating this walking museum of wonderful places? How about a marketing committee? Get the word out about Pine Plains in a way that attracts people to the things we want to preserve the most?

-Attend Town Board Meetings and voice your opinion. We film all the meetings but there's nothing like being there in person.

Things like this are an enormous help to the community and gratefully appreciated. You don't have to be rich in Pine Plains to be essential, welcome, and necessary to our economic development and to our hearts. And it's a great way to meet new people.

Let's work together, Pine Plains!

## Coming Up...

This month we will have some guests at our second Wednesday meeting to speak about safety, energy savings and some changes to the Star exemption rules in NYS.

We will start at 12 noon and there will be some light refreshment.

February 13th will be our Valentine's Day potluck. Please bring something to share. We will provide the drinks. There will also be some romantic music to listen to while we celebrate Valentine's Day.

# Town of Pine Plains Adventurer's Club

Birthdays in January:  
Jack Meccariello

Joke of the Month:

Q: Why did the can crusher  
quit his job?

A: Because it was soda  
pressing.

## Upcoming :

- 1/9/19, Guest Speakers
- 2/13/19, Potluck
- 3/13/19, Movie (any suggestions)
- 10/9/19, Theatre

## 2018 Holiday Party

On December 12th, 2018 we gathered for our annual Holiday celebration.

Supervisor Cloud thanked all for coming to share some time together, entreated all to enjoy and expressed gratitude for the wonderful musicians who provided music for the festivities.

Our cheerful atmosphere was enhanced by the lively fiddle music provided by \*\*\*\*.

All enjoyed a menu that included ham, twice baked potatoes, green bean garnished with caramelized onions finished with a dessert of homemade cheesecake and apple crisp.

**Holiday Party 2018**  
**Thank you to all who attended!**

## Dear Pine Plains, by Supervisor Darrah Cloud

At our last Town Board meeting, we spoke about numerous concerns which the town is facing. We will be putting together our Solar Law very soon, and will have a Workshop Meeting to discuss our goals on January 14th at 7pm. This is open to everybody.

LED lighting was approved by the Town Board on December 10th. Look for Central Hudson to be out replacing bulbs. This will save the town a significant amount of money each year in electricity costs (approx.. \$6000/yr) and pay for itself in 3 years.

The Re-organization Meeting will take place right before the next Town Board Meeting on January 17th, 2019.

As the New Year approaches, we thought you'd like to know about ways you can contribute to Our Town and Beyond which don't require anything from you but time...

-Get on a committee for the town—or form one! See something you'd like to have happen? How about preserving our history here, and helping to maintain the old scale, finding a place to display our 1897 LaFrance Fire Truck, keeping the Graham-Brush house up, getting involved in creating this walking museum of wonderful places? How about a marketing committee? Get the word out about Pine Plains in a way that attracts people to the things we want to preserve the most?

-Attend Town Board Meetings and voice your opinion. We film all the meetings but there's nothing like being there in person.

Things like this are an enormous help to the community and gratefully appreciated. You don't have to be rich in Pine Plains to be essential, welcome, and necessary to our economic development and to our hearts. And it's a great way to meet new people.

Let's work together, Pine Plains!

## Coming Up...

This month we will have some guests at our second Wednesday meeting to speak about safety, energy savings and some changes to the Star exemption rules in NYS.

We will start at 12 noon and there will be some light refreshment.

February 13th will be our Valentine's Day potluck. Please bring something to share. We will provide the drinks. There will also be some romantic music to listen to while we celebrate Valentine's Day.
