March Meeting movie and lunch was a success!

What a great showing for our Movie and Potluck on March 13th. The fare was wonderful and everyone enjoyed their lunch and a great many of you stayed to watch the movie "A Hundred Foot Journey".

This club enjoys coming together for a meal so we have updated future meeting with the addition of a "Potluck" lunch. Please make sure to reference the newsletter to know when these will be happening.

It looks like Pinochle is getting some traction. The club is looking for players to complete some teams. If you have experience, or would like to learn to play, please come and join in on Wednesdays. The popular Mexican Train Dominos will continue as well.

If you would like to attend the Wednesday meetings and may not have a ride, please call Town Hall and leave a message. We would like to help you to get to the meetings.

The sign-up for future activities is on-going. Please let Dave or Lori know if you would like to attend the Theatre trip in October or the Saratoga trip in August. There will be limited seats and a waiting list will be created as well.

Meet Dave Owens!

I was born at Offcutt Air Force Base in Omaha, NE and grew up in Nebraska where I learned to love dogs, the outdoors and sports, especially wrestling, cross country running, and later, soccer. I am an Army Veteran and was stationed in Germany from 1972-1974. I traveled to Oregon to receive my BA from Columbia Christian College in Child Psychology and then on to the University of Nebraska at Kearney for my MA in Communications and Theater.

I moved to New York where I trained as a professional actor and became a father. In 1997 I moved to Stanfordville where I managed a large horse boarding farm, entered the sport of endurance riding and started coaching youth soccer in the area. Over the years I have attended coaching clinics across the country and was very fortunate to help coach the Hyde Park Lightning, a local premier travel team, to top national levels in 2012-13. I moved with my family to Pine Plains in 2012 and continue to spend time outdoors with dogs and to coach at the local school and in the town Recreation Department.

Most recently, I joined **The Adventurers Club** as a volunteer leader. My plan for the club is to keep it simple and help it grow.

Meet Lori Patricola

I grew up in Orange County, Middletown, NY. We lived on ¼ acre, in a raised ranch behind a 7-11. We thought we were “country,” my parents having grown up in Manhattan/the Bronx. The neighborhood kids roamed in a pack.

I met my husband and got married in 1990. We quickly had four children, three girls and a boy. They all attended Pine Plains SD.

My granddaughter is my main interest these days, but I am a big-time dancer. I also spend a lot of time on my faith.

My current job is assisting the Town Supervisor in all aspect of her position. I organize and streamline. I am there to help the residents get the help they may need.

As part of my job, I work with **The Adventurers Club**. I feel like “Julie” from the Love Boat- I keep track of and get the information out for you to have a good time and I help Dave Owens accomplish his activities.

I do like producing the newsletter for everyone.
