Pine Plains, NY 12567

**RE: REPLACEMENT OF BRIDGE PP-5 (BIN 3343510)
WILLOW VALE ROAD OVER SHEKOMEKO CREEK
TOWN OF PINE PLAINS, DUTCHESS COUNTY**

Dear Chairman Pulver:

We are pleased to announce, as part of our continuing effort to revitalize our county road system, the Dutchess County Department of Public Works (DPW) will be replacing the bridge on Willow Vale Road over the Shekomeko Creek in the Town of Pine Plains. This work is critical to improving the safety and visibility of the roadway as well as the stability of the structure.

Project work, which is anticipated to start on or about March 15th, will include replacing the structure with a one-lane bridge on an improved alignment, which will help increase visibility for motorists and reduce speed on the roadway. Willow Vale Road will remain closed during construction with a detour route posted along County Route 83 and Hammertown Road/Righters Corners Road (CR-70). A map of the detour is enclosed. Willow Vale Road averages approximately 88 vehicles per day.

Construction is anticipated to be complete, with the bridge and road re-opened, by fall 2021.

Should you have any questions, please contact the Dutchess County Department of Public Works at (845) 486-2925. Thank you very much for your cooperation.

Sincerely,

Robert H. Balkind, P.E.
Commissioner
